## CONTENTS

### ECONOMICS

**Dina Romanova**  
DEVELOPMENT OF ECONOMIC BASIS OF MEAT PRODUCTION IN LATVIAN AGRICULTURE ................................................................. 8

**Anna Liscova**  
THE STRUCTURE OF RURAL ECONOMY IN ZEMGALE INTRA-REGIONS .......................................................................................... 16

**Sanita Spruģe**  
ENVIRONMENTALLY FRIENDLY ENTREPRENEURSHIP AND PROBLEMS OF ITS DEFINITION ......................................................... 21

**Fredrik O.L. Nilsson**  
TRANSACTION COSTS OF AGRI-ENVIRONMENTAL POLICY MEASURES: THE EXTREME BOUNDS ANALYSIS APPLIED TO PERMANENT GRASSLANDS ............................................................................................................................ 30

**Juris Paiders**  
RELATIONSHIP BETWEEN CORRUPTION LEVEL CHANGES AND ECONOMIC GROWTH IN THE WORLD AND EUROPE .......................................................................................................................... 39

**Marina Kuzenko**  
ENSURING OF TAX REVENUE BUDGET PLAN ...................................................................................................................................... 47

**Jānis Vanags**  
PRIMARY ENERGY RESOURCE CONSUMPTION ........................................................................................................................................ 54

**Staņislavs Šķesters**  
RESULTS OF THE SECOND STAGE OF LAND REFORM IN THE LATVIAN REGION OF LATGALE ................................................................. 62

**Agnese Radžele-Šulce**  
OFFER AND OPPORTUNITIES OF LOGISTICS EDUCATION IN LATVIA ............................................................................................................ 69

**Tālivaldis Sēja**  
A FORMATION AND ANALYSIS OF THE SCENARIOS IN THE VOCATIONAL EDUCATION RESEARCH PROCESS .......................................................................................................................... 76

### EDUCATIONAL SCIENCES

**Regīna Baltušīte**  
THE PROFESSIONAL READINESS TO PURSUE PEDAGOGICAL WORK DURING THE TEACHING PRACTICE IN THE SCHOOL EDUCATIONAL ENVIRONMENT ........................................................................................................... 86

**Māris Markevics, Ausma Markevica**  
THE PHYSICAL ACTIVITIES AND HEALTHY EATING HABITS OF THE POST-GRADUATE STUDENTS OF LATVIA UNIVERSITY OF AGRICULTURE .................................................................................................................... 93
