

Fundamental Library

Library procedure during a Covid-19 emergency

1. The procedure is mandatory for the staff and library visitors.
2. The work of the library is organized in compliance with the Regulations of the Cabinet of Ministers of 28 September 2021 No. 662 “Epidemiological Safety Measures for the Containment of the Spread of COVID-19 Infection” as well as recommendations of the Ministry of Culture.
3. The services are provided in an epidemiologically safe environment.
4. Everyone in the library should wear a face mask that covers the mouth and nose.
4. Persons with symptoms of respiratory infectious diseases are not served in the library. The library staff has the right to ask to leave the room any visitor who is coughing or shows other signs of illness.
5. Visitors must present a student/employee ID or valid document to prove his or her identity at all library service points.
6. Hands must be disinfected before entering the Information Centre and the Reading room.
7. It is recommended to make reservation for study workplace and a computer in the Reading room and Reference and Information Centre by phone 63005695 or e-mail: bibliogr@llu.lv The number of computers in the library is limited.
8. In order to receive books in the Circulation Service (room 161), they must be reserved in advance using PRIMO or by sending a request to e-mail: abonements@llu.lv
9. A maximum two persons may visit the Textbook Lending department (room 76) and one person the Circulation Service (room 161), observing a distance of 2 meters.
10. Library users have information on the limit of visitors at any one time.
11. The library provides disinfection after each using of the device.
